

# YOUR SAFETY, OUR PRIORITY!

- 1**

**DISC BRAKES FRONT AND BACK**

Your Ligier is the only light quadricycle equipped with front and rear disc brakes for enhanced efficiency and bite.
- 2**

**CERTIFIED HANDLING PERFORMANCE**

Our Ligier vehicles have been recognised for their handling and dynamic behaviour becomes more dynamic and exceeding standards thanks to Ligier's historic expertise in suspension and steering.
- 3**

**POWER STEERING**

An exclusive technology that allows more vehicle control. Driving behaviour becomes more dynamic and unwanted jumping due to an uneven road is compensated.
- 4**

**DUAL WINDSCREEN WIPERS**

Two windscreen wipers are always more efficient than one. This exclusive LIGIER feature guarantees the best wiping capacity on the market: 85 % of your windscreen, well above regulatory standards!
- 5**

**FULL LED HEADLIGHTS**

These headlights enhance your ability to detect the shape and colour of objects on the road at night, helping you anticipate and confidently handle any situation that comes your way.

**EXCLUSIVE!**

**1+1= DUAL WINDSCREEN WIPERS UNBEATABLE VISIBILITY**

Ligier's dual windscreen wiper is the only product on the market capable of covering such a large windscreen surface. Optimal visibility, for maximum safety.
